GENERAL TERMS AND CONDITIONS OF SALE

PRODUCT GUARANTEE

All our products are guaranteed against any manufacturing defect. Defects caused by mistreatment, misuse, knocks, etc. are excluded from the guarantee. Non-abrasive or pH-neutral cleaning products must be used, otherwise the warranty will be void. Our models may be modified without prior notice, always for the benefit of the article. S.304 stainless steel products are guaranteed for 3 years and S.316 steel products for 5 years.

ORDERS

When placing an order, it is advisable to order by e-mail. Please indicate the name of the series, reference and colour finish:

DELIVERIES

When you receive an order, you must check it immediately. In case of breakage we have only 24 hours to make any claim to the transport agency. You must inform the driver and call us immediately so that we can make the appropriate claim. If the package appears to be defective, you should not accept it.

RETURNS

All returns must be authorised by our sales department. We will not accept any goods that do not come through our usual agencies. If the return is not the responsibility of MEDIMEX, a depreciation of 15% will be applied to the invoice for the handling of the goods and a charge of €6 will be made for postage. In case of exchange of goods due to manufacturing defect, the article will be sent with charge, and the payment will be made when the defective parts are in our facilities.

DEPRECIATION

Goods delivered up to 3 months after the invoice date, 15%.
Goods delivered more than 3 months after the invoice date, 30%.

PAYMENT TERMS

In the event of litigation, both parties will submit to the courts of Torrent (Valencia).

TRANSPORT FEE

Consult shipping costs with export@medimex.es.

UPDATE AND COLLECTIONS MAINTENANCE

MOLDING CHANGES

Some of the articles supplied by MEDIMEX, may have non-substantial modifications of some of their components compared to the photographs published in the catalogue.

MEDIMEX, reserves the right to make such changes in order to improve the design and functionality of the product, as well as its sales conditions.
